

## Starfish and Seahorses Timetable for w/b 29.6.20

**Week Beginning:** 29/6/20

**Topic:** Dear Zoo

Hello Starfish and Seahorses!

Here is the timetable for this week's learning. It is based on the book called Dear Zoo by Rod Campbell. Find out about different animals that live in the zoo and do some measuring too! There are some lovely crafty animals to make and some animal stories to listen to.

As we have said before, you can choose which activities you would like to do and when you do them. It is very flexible! It would be great, though, if you can fit in some maths learning and reading regularly. Enjoy your exercise and keep safe and well!

**Please upload what you can to Tapestry as we would love to see/comment on what you have been doing!**
