

Starfish and Seahorses Newsletter

28th February 2020

Welcome back from your half-term, we hope you all had a fun time together in the holidays. The children have been sharing their holiday news in small groups and then doing some independent writing in their Star Writing books.

It was good to meet up with you all during Parent Consultations before half term. I know that the children were very keen for you to see their amazing learning.

We all had a wonderful morning on Grandparent's morning and the children thoroughly enjoyed performing their songs and taking part in all the exciting activities.

We are really looking forward to the arrival of our duckling eggs later next month when the children will be able to observe the ducklings hatching and to see them growing.

General Information

Welcome

A warm welcome to Mrs Lewis who is a student teacher. She will be working with Mrs Dodd and the children in the Starfish class for the next 6 weeks. Please do say hello if you see her!

Cool Milk

If your child is under 5 then they are entitled to free milk at school. However, if your child is already 5 then you may register them for subsidised school milk. You can find the form on the website www.coolmilk.com, or collect a form from the office.
