

# Year 2 newsletter

Monday 23rd September 2019

Dear Parents and Carers,

What a busy start to the term we have had! The children are settling well into their new classes and are all really enjoying our What a Wonderful World topic. **Please note: there is a change of date for the Year 2 Meet the Teacher meeting in the hall. The new meeting will be Friday 27<sup>th</sup> September at 9 am. Sorry for any inconvenience this may cause.** We look forward to seeing as many of you as possible at the meeting.

## Reading Books

Reading books are changed daily if an adult has signed the yellow reading record. We encourage the children to be independent and pop their reading folders into the basket (which is located in the classroom). They then collect their reading folders at the end of the school day ready to take home. We do remind the children daily but if their reading book has not been changed, it's possible they have forgotten so please just ask us and we are more than happy to check.

## Home Learning

We will be sending out the home learning for the first time on Monday 23<sup>rd</sup> September. The home learning is then due back the following Monday and is reviewed by their friends every Monday morning. It will become very clear when you receive the books back with a new home learning in each week. Spellings have been sent out already and will be tested every other Monday from now on.

## Bug Club and Athletics

We are currently in the process of moving the children's year group/class on Bug Club and Athletics. We will be sending out login details in reading records at some point during the next few weeks. Thank you for your patience as we know the children are extremely eager to get going on these.

We like to think of ourselves as a very approachable team so please come and talk to us about any worries/concerns or if you have any questions. We like to help and will always endeavour to do our best.

Thank you
