Ethos

- We believe that children come first
- We will always try and find the time to hear and listen to the children
- Our philosophy is to be firm, fair and fun
- We value you as parents and that we pass 'the baton' backwards and forwards every day
- PLEASE, PLEASE, PLEASE, know that sharing concerns/ significant changes at home matters, and that we will always find time for you and do our very best to address concerns and offer advice and concern where necessary.

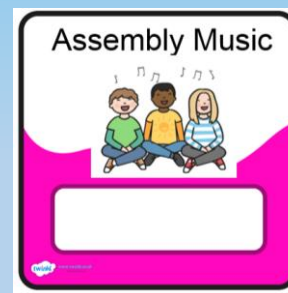

Behaviour, rewards and sanctions

- Golden awards
- Good to be green
- Golden tickets
- Reading, writing and character trophies
- Stickers
- Verbal feedback
- Positive praise

Roles and Responsibilities

- In Year two children take on a variety of roles and responsibilities.
- They take turns to have a go at all of the 'jobs' over the course of the year.
- During this first half term we explain the jobs so that the children can become the experts and take the responsibility on from the adults.
