Choose your own experiment based on George's Marvellous medicine and have a go at your own.

Write about what you did on the special scientific paper (saved for Activity 3) and draw a picture of your experiment. .

Remember to use Capital letters, full stops, verbs, adverbs, adjectives and bossy words

(First, Then, Next, After that, Finally)

You can also use Exclamation marks! Question Marks? Statements and Commands in your writing.

Good Luck!
