

## Year 2 Geography w/c 20.04.20

### Write an advert for a travel website

Choose a place you have visited with your family.

How did you travel to get there?

What was the weather like, were you close to the equator?

What food did you eat while you were there?

What country is it in?

Which continent is it in?

Did the local people speak English or another language?

Was the money different to ours?

Were there any rivers, mountains, landmarks nearby?

Did you see any wildlife?

Is there sea nearby?

Use kiddle to find some interesting facts about your place?

Why should people visit there after the Lockdown has ended?
